

THIRD GRADE SUPPLY LIST

Dear Parents,

Because the 20/21 school year will likely look a bit different than what we are used to, I had to add a few items to my list that ordinarily wouldn't be on it (white boards, clip boards, pencil sharpener, etc.) Normally I have these available in the classroom to share, but this year I'll be having students store these extra items in their lockers when not in use so there is no sharing with classmates. Thanks for your understanding.
